

Furnace Pond Fisheries – 2026/2027 Season

I am pleased to invite you to take out a fishing permit at Furnace Pond for the coming season, which will run from 15th May 2026 until 14th May 2027. There has been a lot of investment over the last year including the dam wall renovation, the removal of the lily pad roots and swim re-building but we have decided to keep the price the same this year.

The permit prices are as follows:

- Carp Ticket (3 rods max): £500
- Pike/Coarse Ticket (dawn - dusk (2 rods max and no carp/boilie fishing): £250
- Senior (over 65) Coarse Ticket (dawn til dusk): £195

The rules will be sent to you with your membership ticket and should be read carefully before fishing commences. **Please take away all your own litter.** It would be of benefit to all members if you take away any litter you see, even if it is not yours. If you wish to fish at Furnace Pond this year, **please send a stamped self-addressed envelope together with your cheque or pay via BACS to the bank details below**, payable to Rodney Webb, to *Shirrenden, Brenchley Road, Horsmonden, Kent TN12 8DN*, to arrive before 1st May 2026. Your membership ticket will then be forwarded to you.

I hope you have a successful season.

Rodney Webb

Please return this slip with your remittance and stamped self-addressed envelope

I would like to apply for the permit

I attach my cheque for £ payable to Rodney Webb

I have paid via BACS to Rodney Webb / Account: 40944025 / Sort: 20-54-11
